

About ERISApedia

A COMPREHENSIVE RESOURCE DESIGNED FOR YOU

ERISApedia, a product of AmericanTCS's PensionPro, offers a powerful suite of web-based resources to professionals working with retirement plans. From the industry's most comprehensive compliance oriented reference ebooks to expert support and business development tools, ERISApedia is your all-in-one resource.

PLAN DATA INTELLIGENCE: Grow your business with ERISApedia's Plan Data Intelligence (PDI). This powerful tool offers more than just augmented Form 5500 data. It offers the ability to search the 5500 Filing attachments -- more than 2.0 million pages of form. It also includes verified email addresses for plan sponsors, service provider identification, and an integrated operational Benchmark Report to open doors and focus your conversations with prospects.

eSOURCE LIBRARY: Accessing retirement plan reference materials has never been easier with ERISApedia's eSource library. Each online book offers insights into industry topics -- from guides on qualified plans to specialized resources on Form 5500 and more. With the addition of the interactive AI tool, easily search topics or questions within the library and receive detailed answers in shareable formats like email messages. For TPAs, recordkeepers, and advisors looking for broad overviews or detailed guidance to better serve their clients, find the information you need right at your fingertips.

ASK THE AUTHOR: ERISApedia's Ask the Author feature gives you instant access to experienced ERISA attorneys and in-depth guidance on qualified plan topics. Leave the expensive retainers behind and get fast, reliable answers to your toughest plan questions from trusted legal experts.

CPA PROSPECTING ReSOURCE: A comprehensive database of all audited benefit plans plus over 80,000 audit reports and Form 5500 filings.
