

ERISA Fiduciary Navigator eSource

NAVIGATE ERISA FIDUCIARY COMPLIANCE WITH CONFIDENCE

ERISApedia, a product of AmericanTCS's PensionPro, offers a powerful suite of web-based resources for retirement plan professionals. ERISA fiduciary requirements continue to evolve through legislation, regulations, litigation and agency guidance. The ERISA Fiduciary Navigator eSource provides practical, chapter-by-chapter guidance to help retirement plan professionals understand and apply fiduciary requirements with confidence.

This eSource offers comprehensive coverage of fiduciary status, duties, investments, service providers, participant direction, ESG, cybersecurity, litigation and more.

THE ADVANTAGES

- Clear, actionable guidance for complex fiduciary and ERISA rules
- Explains DOL regulations and guidance in plain English
- Practice-oriented insights, cautions and analysis for evolving fiduciary requirements
- Integrates ERISA, Internal Revenue Code provisions, DOL guidance, court decisions and practical compliance considerations in a single resource
- Fully searchable web-based platform with extensive internal cross-references and hyperlinks to ERISA, regulations, cases, and other relevant guidance
- Regularly updated to reflect significant regulatory and legal developments
- Hundreds of links to primary authority

THE AUTHOR

S. Derrin Watson, J.D.

With more than 45 years of experience in retirement plans and employee benefits, Derrin is one of the retirement industry's leading educators. He is a frequent presenter for ERISApedia webinars and industry conferences and has authored numerous publications used by retirement plan professionals nationwide. In 2006, ASPPA awarded Derrin its Educator's Award for his work in providing professional education to plan practitioners. In 2023, NIPA awarded him its Lifetime Achievement Award for his contributions to the pension industry.
